Good habits, healthy exercise, and proper medication are the three great conservators of health. Good health is the greatest beautifier. Neither a man nor a woman can have an attractive personality who suffers from ill-health. If it were not for disorders of the digestive organs, nine-tenths of the medical books in the world could be safely destroyed. Not only the minor maladies, but the majority of serious diseases have their inception in a disordered digestion. Consumption is undoubtedly the most deadly enemy with which mankind has to contend. Like all other wastes of the digestive organs, it originates in disorders of the digestive organs. As a result of these disorders, the appetite falls off; the life-giving elements of the food are not properly assimilated; the blood becomes thin and impure; and all the tissues of the body are imperfectly and improperly nourished; the system becomes clogged with inert, half-dead tissues that offer an attractive soil for the invasion of the germs of consumption. It has been said thousands of times that consumption is incurable. It is not.

Ninety-eight per cent. of all cases of consumption are cured by Dr. Pierce's Golden Medical Discovery. It corrects all disorders of the digestive organs, invigorates the liver and makes the appetite keen and the assimilation perfect; it makes new blood, pure blood, and lots of it. It builds new and healthy tissue. It is the great flesh-builder. It acts directly on the lungs, driving out all impurities and disease germs. Thousands have testified to its merits. All good druggists keep it.

Geo. H. Slater, Esq., of Yates City, Knox Co., Ill., writes: "I have been troubled with indigestion and dyspepsia for the last two years. I got a bottle of your 'Golden Medical Discovery,' and it did me so much good I am going to get another bottle. It is the best medicine in the world for stomach trouble."

Good health is the best endowment. Those who have it cannot be too careful to preserve it. Constipation is the worst enemy of good health. It causes nearly every disorder known to physicians. Dr. Pierce's Pleasant Pellets are a sure, swift, safe and permanent cure for constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic. They never gripe. Druggists sell them.

THE TRUE REMEDY. W. M. Repine, editor Tiskilwa, Ill., "Chief," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures, and besides it is guaranteed. It never fails to satisfy. Trial bottles free at Massie's Pharmacy, 109 Jefferson street.
